College Station Parks & Recreation Department

Dear Fellow Citizens:

We are pleased to provide this 2006 calendar as a means to inform the public about the many fine park facilities and leisure services that are offered throughout the year. The calendar also includes activities and information for programs and events offered by other local agencies that may be of interest to you and your family. Please use the calendar throughout the year to assist in scheduling your leisure activities and contact us if additional information is required.

Our staff is proud to work for this fine community and we are very grateful for the continuing public support that the citizens of College Station provide. Without this critical support, these essential services would not be available for our residents.

Marlin Williams an evacuee of New Orleans during devastating hurricane Katrina, earned the unofficial title of the Lincoln Center Mayor by the shelter volunteers due to his great communication skills in relaying information to new evacuees. One dinner at the Center was on Marlin! He prepared jambalaya at the Salvation Army kitchen to be served to all other evacuees taking shelter at Lincoln Recreation Center. Marlin is now residing in Bryan while still volunteering at Lincoln Recreation Center. Thanks Marlin!
